MEMORANDUM FOR THE RECORD

SUBJECT: Appearance [] before Senate Internal
Security Subcommittee - 22 January 1960

25X1X

1. [] appeared as a witness before the Senate Internal Security Subcommittee in executive session. Present were: Senator Thomas J. Dodd, sitting as Chairman; from the Staff, Jay Sourwine and Ben Mandel; Joe Cannon sat in for Senator Kenneth E. Keating; Ward and Paul were the reporters. During the afternoon session Bill McManus from the Staff sat in.
2. In previous conferences the groundwork had been laid for this session and, consequently, Mr. Sourwine conducted most of the questioning based on these previous conferences. The time became short and a number of the questions had not been asked and Senator Dodd requested that these be made a part of the record as if the questions and answers had been given. In addition, Sourwine indicated that he hoped we would do a good job on the transcript making a real "opus" out of it. Obviously he hoped we would put this in as good shape as possible to create the impressions desired.
3. In general the session went well although Senator Dodd at points had difficulty understanding the points that [] attempted to make particularly in his description of corruption and black market activities by manufacturing officials.
